Story scene 1-

played by- shraddha

An employee has an important meeting with the dealers at 10.00 am . she was late just by few minutes and thought that it wont affect the schedule. But when she entered the office she found that everyone had already headed for the meeting.

Conclusion-

Those 2 minutes would be so important she didn't even realize and missed such a great opportunity . The fact is each and every single minute is valuable.

Story scene 2-

played by lakshya

A student is giving the exam and he do not have watch with himself. He kept wasting his time initially and later on when the teacher told him hurry up he found that he is lagging and started panicking. But the teacher was kind and gave him 2 more minutes in order to complete his answer . he became happy and completed his question

Conclusion-

2 minutes sounds a little time but in those few minutes a student did his job well.

Story scene 3-

played by rishabh

An iit aspirant came late to the examination centre by few minutes as he couldn't wake up early in the morning. He rushed but couldn't reach at time and ultimately was debarred from entering the hall.

Conclusion- It was a major breakdown for him but he couldn't help himself . It was all because of procrastination . Every single minute matters in every humans life.

Story scene 4-

played by anshika

A business woman who was about to read the magazine but failed because of a friend who called her at a bad time and after the conversations. She went office and found that she is losing in her shares because she couldn't analyse the fundamental reasons .

Conclusion- Due to the poor timing of her friend's call she couldn't read the magazine and lost her shares. this major loss is ultimately related to the timing.
